Costa de la Luz, Tarifa

VERY RARELY AVAILABLE LARGE RESIDENTIAL PLOT IN TARIFA!! Tarifa is Spain's and Europe's southest point and where the Mediterranean and Atlantic sea meet. It enjoys a mild climate protected by the nearby mountains. Residential plots in this area rarely come up for sale and this plots enjoys a priviledge position with stunning sea and mountain views. This elevated plot is located in an urbanisation with few villas and will preserve its prime position and views. There is water, electricity and sewage all in place and a little 80 sqm house with 2 bedrooms, a kitchen, living room and shower room enjoying a south facing garden. This would be an ideal place to stay during works take place to build a larger property. The plot enjoys mature trees that could be relocated or kept in the grounds of the property.
