Villa Romana consists of an area of 10.0000 square meters, surrounded by mountains and vineyards. The house has 300 square meters spread over 2 floors. The first floor has a spacious living room with fireplace, library, separate dining area, a very spacious and bright study room with independent exit, 2 kitchens, one of them fully equipped with dishwasher, washing machine, refrigerator, freezer, microwave, oven, and a full bathroom. The upper floor consists of a very large main room, with private terrace, bathroom with XL tub and shower and another room that can be used as a dressing room, plus two double bedrooms, one with its own terrace and a large bathroom with shower. Attached to the house there is an apartment with separate entrance and through the main house. It has ground floor with living room, equipped kitchen, master bedroom, a large bathroom and open-plan attic enabled as a bedroom. Next to the main porch and the pool there is a recently renovated tower as a separate house with 2 floors. The exterior of the house has 10,000 square meters of land, with a large porch with different recreational areas, a beautiful pool where you can enjoy great privacy. The house also has a barbecue and ample parking area, natural well and two water tanks.
