Stylish mansion with two large rooms for events, apartments, animals,...The house, renovated with a large volume in the rooms, living room, kitchen, etc., has several spaces between the ground floor and the first floor. In the part that lacks reform, with its independent entrance, there are also large spaces and a lot of potential. In front of the main house there is a large pool next to the porch and below it a small storage room and an outside toilet. The upper floor has been rented out by the owners with complete privacy during holiday periods. The main house along with the guest house could accommodate several families with a refurbishment as well as investing in your holiday rental business. It is located in a very quiet area with easy access to highways, shopping malls, etc. On the outside you also have open garages and a good plot for your hobbies, shops,... Surrounded by many rooms made of natural stone, wood etc. both the garden and the pool are attractive.
