

Land for sale in Benissa, Benissa

160.000 €

Referentie: R4799824 Plotgrootte: 11.000m²

Marina Alta, Benissa

Large flat plot for sale within cycling distance to the village of Teulada.

This large plot offers the opportunity to build the spacious finca of your dreams! You have the option to purchase 14.000m² or add an additional piece of land and that would make a total of 21.000m². The quiet location in a cul-de-sac and the views to the Sierra Bernia mountain range are breathtaking! The plot also faces another street and through this street you can easily reach Benissa, so the best of 2 worlds! Electricity is not far from the plot and water can be supplied through a deposit or you can have a well drilled. It would also be possible to talk to the neighbours and arrange together to connect to the water from the municipality.

For more information or an on-site visit, do not hesitate to contact us!
