Costa Blanca North, Finestrat

Fantastic villa in the beautiful surroundings of Sierra Cortina. The house located in one of the best urbanizations of the Costa Blanca. This excellent property consists of 3 spacious bedrooms and three cozy bathrooms. The materials used in construction are of the top quality. The villa comes with a kitchen, fully equipped bathrooms, solar water heater, and a smart home system. The smart home system is designed to control alarm, air conditioning, and even window blinds. On the plot, there is a private swimming pool and natural lawn with automatic irrigation system. This is indeed a fantastic house to live in.
