This TOWNHOUSE IS JUST RENOVATED, and is perfect for families who want to have a house near the sea. It is located in Piles, very close to all services and 5 minutes from the beach. The property has been renovated with a lot of charm, preserving all the details that make it feel special: antique hydraulic tile floors, clay floors, wooden beams, tosca arches... Like every Mediterranean house, it has an interior patio, which they have made the most of by building a pool and a barbecue area. A very nice patio, cozy and with privacy. The house is not furnished and from the moment you enter it you do not stop imagining it decorated in a thousand ways, since it has everything you need: a careful rustic style, large spaces, large windows and various terraces. The house has 280 m2 distributed over three floors. On the lower floor there is a very spacious entrance, a nice guest bathroom, a living room with fireplace and dining room with access to the kitchen and the inner courtyard. On the first floor there are two simple bedrooms, a bathroom and the master bedroom with en-suite bathroom. In addition, on the same floor there is a terrace overlooking the pool. On the upper floor a completely open space and a large outdoor terrace.
