Renovated traditional townhouse with sea views in Cómpeta.

Well-planned townhouse with rustic charm on four floors, centrally located, yet very quiet area. Large lovely terrace overlooking the surrounding mountains and the sea, here you enjoy the sun all day and the most enchanting sunsets during the warm summer evenings. Municipal water and sewage, possibility of connection to fiber Internet.

We are welcomed at the entrance to the house by a spacious hall/living room, which connects all parts of the house. Here you will find the place for the kitchen, which you have the opportunity to decorate to your own liking and taste. There is also a toilet here.

We go up to the first floor, where we enter a bedroom with its own balcony. On this floor we have another bedroom with its own bathroom. Furthermore, we go up to the second floor and find there two more bedrooms, one with its own balcony.

We go up to the top floor and enter an unfurnished room with a water connection, which could be converted into a studio with kitchenette or just a kitchen. Outside we have the crown jewel of the house and beautiful terrace, where you can enjoy the sun all day and wonderful evenings in the moonlight.

Cómpeta offers everything you need, banks, medical center, pharmacy, supermarket, shops, municipal swimming pool, restaurants and bars. To Torrox Costa or Algarobo Costa, it takes 30 minutes. To Baviera Golf it takes 35 minutes and to Malaga airport it takes an hour. If you feel like skiing during the winter months, the Sierra Nevada is less than two hours away by car from your home. The best of both worlds in one place.
