Costa Calida, Cabo de Palos

These villas are two villas designed by the Swiss architect Massimo Di Cauda. They are part of an architectural concept based on clear, cubic and functional lines in a unique enclave. Infrared remote control automated access to doors that open to the garden and garage. The garage has space for one vehicle and there is a parking slot for an additional one. Gardens with water drainage system in the floor, completely finished and customizable including vegetation, irrigation and lighting. Pool of 9 x 4 meters with infinite views of the Mediterranean, with roller cover and heated. Terraces at various heights creating cozy environments surrounded by vegetation and endless sea views. Villas are protected with TV cameras on the outside and motion detectors inside.
