Costa Blanca South, Torrevieja

Our latest resale property offers you the chance to live in the heart of downtown Torrevieja, just 300 meters from the promenade and the beach. This apartment was completed in 2023, so it's practically brand new.

The apartment features a spacious open-plan living room and kitchen, 3 bedrooms, and 2 bathrooms, one of which is en-suite to the master bedroom. It's sold fully furnished and is very well-equipped. The living room and both bathrooms have underfloor heating. The apartment also has an Airzone remote-control air conditioning system, allowing room-by-room adjustment via a mobile app for cooling, heating, or dehumidifying. The system can also be controlled via individual room panels.

On the rooftop of the building, there's a cozy communal area with a jacuzzi, showers, and a relaxation area. The price also includes a private garage parking space and a spacious storage room.

This apartment is designed for year-round living as well as for those who want to enjoy their holidays without sacrificing anything.

Nearby, you'll find everything you need: restaurants, pharmacies, the town hall, post office, all types of shops, and of course, the promenade and beach.
