Costa Calida, Lo Pagan

We offer this fantastic home in a front-line building in the middle of Villananitos beach in Lo Pagán. From the house we have lateral views of the sea. The house has an elevator. It has 3 large bedrooms, separate kitchen and full bathroom. The house does not have hallways, so it is very comfortable and you do not have wasted meters. It has several terraces and faces 2 streets, one to the east and one to the west, so it is very cool. It is ideal for spending the summer, living all year round or simply as an investment and renting seasonally. The location is unbeatable, since you walk 20 meters when you leave the portal and you enter the beach. Without a doubt an opportunity that you cannot miss.* The indicated RRP does not include taxes or writing expenses.* The surfaces expressed in this page are descriptive and approximate, so they have no contractual or binding value.
