Casa Mirasierra is a 3 bedroom country property with a separate casita, garage, outbuildings and stables for horses with a licence already in place. It is located in a Rural area surrounded by mountains, with a large 22,000m2 plot filled with olive trees and easy to maintain gardens around the house. There is an automatic gated entrance and to the back of the property there is a 7m2 swimming pool and a seating area with a bar and bbq area, ideal for alfresco dining. There is a DAFO in place but there is still vast potential for further renovations and decorating as certain upgrades are necessary. This rural property has a lot to offer with a new concrete track off the main road and impressive lake and mountain views.
