Valle del Guadalhorce, Álora

Opportunity to buy a substantial piece of the Andalucian countryside enjoying a rural location approx 12kms from Álora pueblo. On offer, together, are 2 adjoining " fincas" of 135.730 m² and 9.700m², in total almost 15 hectares, together with a traditional farmhouse and outbuildings with a total build size of 444m². The farmhouse does require extensive renovation. The living accommodation is distributed over 2 levels and there are also attached outbuildings. The generous build size together with the extent of the land offers great potential for renovation to provide either a large family home, an equestrian property or perhaps for rural tourism accommodation. Mains electricity and well water are connected.
