Valle del Guadalhorce, Álora

Spacious traditional townhouse located in a prestigious street within Alora pueblo. The accommodation is offered over two levels. At street level, there is a large reception room, a separate sitting room, a large fully fitted kitchen, a full bathroom and a further multi-purpose area which hosts a sitting area, a second bathroom, and a large walk-in store room. A second walk-in store room and a garage area complete the accommodation on street level. A marble staircase leads up to the upper level which hosts 4 double bedrooms. There is a large upper terrace to the rear of the property hosting stunning views and there is also a balcony running along the front of the house with access from two of the bedrooms. The total build size is approx. 200 m² and the property, which has the advantage of enjoying access from two parallel streets, is offered for sale in a well-maintained condition. This property, which is connected to all mains services, would be ideal for use as a large family home or could be divided to provide more than one unit of accommodation.
