This exceptional villa is set on a large plot with breathtaking sea views and has been thoughtfully designed with high-end finishes and furnishings. Located just 5 minutes from Estepona and the beach, it offers ultimate privacy thanks to its distance from nearby neighbours. Spread over three floors, the ground floor has been opened up to create a spacious, flowing layout. It features an impressive entrance hall, multiple living areas that evoke different moods, and a beautiful kitchen with an adjacent dining area and study. The kitchen is equipped with top-of-the-line appliances, a stunning island, and both gas and electric hobs. The property is equipped with comprehensive lighting and Wi-Fi coverage, even in the garden. Security cameras, solar panels, and LED lighting ensure the home is energy-efficient, and any unused electricity is sold back to the grid. Additionally, there's a water collection tank (aljibe) and 4 pellet heaters to keep the home cozy during winter. From the custom-made sofas and chairs to the hand-crafted glass in the "Alquimia" room inspired by Arabic design, and the industrial-style lamps imported from Hong Kong, this villa achieves a perfect balance of symmetry and comfort.
