Inland Almeria, Taberno

RURAL HOTEL - HOUSE - country house Originally built in 1914 and lovingly restored in 2004, this exceptional Cortijo comprises three fully independent homes in the heart of Andalusia, southern Spain. Currently operating as a rural tourist accommodation, the property can host between 2 and 18 guests, making it perfect for families, groups, or entrepreneurial ventures. Set in a tranquil natural environment, the cortijo is surrounded by unspoiled countryside where the only sounds are birdsong and the gentle rustle of the breeze. The original decoration and historical character have been carefully preserved during the restoration, blending authentic Andalusian charm with modern comforts. The property also includes 400m² of surrounding land with legal rights for new construction, offering potential to expand or develop additional facilities. Whether you dream of running a charming rural hotel, creating a wellness retreat, or simply enjoying a serene family estate, this property provides a rare opportunity to embrace the peaceful Andalusian lifestyle. Cortijo Leontino is an inherited family property. The original decoration and history has maintained and respected during its refurbishment. The rural house is located in a natural setting, surrounded by countryside where the only sounds are that of the fauna. It is an ideal spot to escape to, to rest and relax like no other.
