Inland Almeria, Vélez-Rubio

In Vélez Rubio the construction of a dream house started ten years ago. Completely under their own management, with all the love and energy they had, the owners have rolled up their sleeves. No effort was too much, really attention was paid to all the details. It was going to be a large house in which they could easily put two flats. A stylish house at the end of a dead-end street. Until the situation did not allow to finish this beautiful house. With pain in their hearts this house was put up for sale. Let's see how far the owners have come. The house is indeed in a beautiful spot, on top of a huge garage which is part of the property. We enter the reception hall (8 m²) with a beautiful arch where you can receive your guests in style. The hall gives access to the rooms on the ground floor, the stairs to the garage and the stairs to the upper floors. Please note that only the layout has been made and piping for water and electricity has been installed. The rest of the rooms can be freely arranged to your own taste. On the ground floor you will find the salon (28 m²), a kitchen (12 m²) and two bedrooms (respectively 11 and 9 m²). You will also find a bathroom en suite. (6 m²). On the first floor we find a salon (22 m²), a kitchen (25 m²), two bedrooms (respectively 10 and 11,5 m²) and two bathrooms (6 and 4 m², the second bathroom is en suite). On the third floor there is a spacious hall (15 m²) with a mezzanine and space for a fourth bathroom (3 m²). On each floor there is the opportunity to go outside and enjoy the view. The ground floor opens onto a patio, and both on the first and second floor you can access a spacious terrace from where you have a view of the village and the surrounding mountains.
