Immediately when you enter the house through the spacious hall (21,5 m2) you will notice the luxurious atmosphere. The floors are provided with natural stone tiles, and the wood and ironwork that has been used for the stairs and railings looks really beautiful. The hall provides access to the living room with open kitchen (44,5 m2). The open plan layout gives a great sense of space. The layout of the upper floor and the use of these materials gives a very spacious feeling.
