Inland Almeria, Vélez-Blanco

For sale this attractive Spanish chalet in the picturesque Vélez Blanco. In the campo of Vélez Blanco lies a beautiful, very well maintained detached villa. Have you always dreamed of a paradise under the Spanish sun, and would you like to experience life here in the Sierra María los Vélez I would like to take you through this experience. Imagine that you are the owner of a beautiful white Spanish villa. Nicely maintained, three bedrooms, two bathrooms, a spacious living room with lots of light and a fully fitted kitchen. Your Spanish dream villa, surrounded by a large terrain with fruit trees, a vegetable garden, several cosy terraces and, last but not least, your own private swimming pool. Imagine waking up to the first light shining through the shutters of your bedroom. You stroll to the kitchen to get a cup of coffee and settle down on your terrace. Ah, just in time to enjoy the sunrise. The sky turns from dark red to orange, until finally the sun shows itself above the mountain ridges. Wherever you look, you can see the early morning light playing with the mountains and the white houses scattered around the country. It is like a living painting. So, now it's time for breakfast. The air is still fresh but fortunately the sun is already warming up your terrace. You can still enjoy your breakfast in the sun. After breakfast, it is of course good to stretch your legs. Do you feel like walking across your land Or would you rather take a drive to the village to have a drink on one of the terraces or stroll around the weekly market and catch up with your friends in the village The choice is yours. Once at home, you can enjoy the peace and cosiness of your home again. With a good book and a drink on your terrace, or a refreshing dive in your pool, who cares When the evening falls and the sun disappears behind the mountains, it is time to light the barbecue and enjoy the Spanish life together with your friends. Now look around you again. The mountains are dark against the clear sky and more and more stars are appearing above you. This is the real life. Can you already see it This is not a dream, this can be your reality.
