Charming Coastal Home Just 50 Meters from the Mediterranean Sea For anyone dreaming of owning a home under the Spanish sun, this is a truly special opportunity. This welcoming family home is just 50 meters from the sea, located in a peaceful village near the vibrant coastal town of San Juan de los Terreros and the picturesque village of Pulpí, renowned for the spectacular Geode of Pulpí, one of the largest crystal caves in the world. Unlike the crowded beaches of larger tourist towns, this village offers an authentic Spanish atmosphere tranquil, friendly, and full of charm. The property is a terraced house featuring a front terrace, a private balcony, an internal patio, and a garage. You can enter either through the garage or via the terrace, which looks out onto lush greenery, swaying palm trees, and the well-tended gardens of neighboring homes. Imagine relaxing here with a Tinto de Verano in hand, enjoying the distant sound of the sea and soaking up the peaceful ambiance. Inside, the home opens into a hallway leading to a bright and comfortable living room on the left. Large glass doors flood the space with natural light and open directly onto the terrace. The living room features elegant traditional Spanish wall tiles, and the home has been recently renovated with impeccable attention to detail. Continuing through the hallway, you'll find a spacious, fully equipped kitchen with a window overlooking the private patio. This outdoor area includes a toilet with a washbasin and a separate outdoor shower perfect for rinsing off after a day at the beach. Upstairs, the first floor offers three generous bedrooms, a smaller additional room ideal as an office or dressing room, and a central family bathroom. The main bedroom at the front features a large private balcony with sea views, while the rear rooms enjoy views of the surrounding homes and gardens. Every room benefits from large windows, ensuring bright, airy spaces throughout. If you're searching for a move-in-ready coastal home in a peaceful and authentic Mediterranean setting, this is the opportunity you've been waiting for.
