Spacious and Functional Layout

Enter the home through a covered terrace, perfect for outdoor relaxation. To the right, you will find a large dining kitchen, ideal for family meals. The adjoining dining room, currently used as an office, has terrace doors that connect indoor and outdoor spaces seamlessly.

To the left of the hallway, double doors lead to the living room. This bright space features a cozy fireplace and central heating, powered by heating oil. All windows are new, double-glazed, and fitted with shutters for comfort and security.

Comfortable Bedrooms and Versatile Spaces

Further down the hallway, you will find three bedrooms, one with an en-suite bathroom. The fourth room is currently set up as a music room, but can easily become a guest room or office. Each room is filled with natural light, making the home warm and inviting.

Garage with Potential

The large attached garage is fully legal and divided into several rooms. It is perfect for storage or, with minimal work, can be converted into an independent apartment or guest house. The infrastructure is ready for this transformation, offering extra value and flexibility.

Beautiful Garden and Outdoor Living

The garden is beautifully landscaped, providing a peaceful retreat. The 40 m² terrace is ideal for entertaining or enjoying the Andalusian sun. The house only needs a fresh coat of paint to be in perfect condition.
