It is spread over 47 municipalities of a sparsely populated region. The three principal towns are Huéscar, Baza and Guadix. This international promotion of the Granada Geopark, which we are relatively adjacent to, gives us more prestige and a plus to the benefits of tourism in Pozo Alcón. Coming to complement our unique locality, such as the Sierra del Pozo. The Geopark also known as the Quaternary of the Northern Valleys of Granada offers us vestiges of 250 years of millions of history, one of the places with the most deposits and fossils of the largest mammals on the continent and remains of the first settlers of Europe. . An enclave where we can enjoy the views of the Sierra Nevada on both sides of the Sierra de Cazorla. Plan your route between Guadix, Huéscar and Baza and take the opportunity to enjoy the resources of Pozo Alcón. S_C
