Vinalopó Medio, Pinoso/El Pinós

This building plot of 42,248 m² is situated in a peaceful hamlet just outside Pinoso. The land benefits from irrigation water and offers the potential to be divided into four separate plots. Local regulations allow for construction of up to 2% of the plot size, with the option to build on two levels, providing flexibility for multiple projects or a larger development. The Area: Pinoso, located in the Alicante region, is known for its wine production, olive groves, and natural beauty. This small town offers a tranquil lifestyle while still being close to essential amenities such as shops, restaurants, and healthcare facilities. The surrounding countryside is perfect for outdoor activities, making this an attractive area for those seeking a rural retreat with the possibility of development.
