Looking for a Stylish Home in Lomas de Cabo Roig?

This modern semi-detached villa is the perfect choice for you!

Built in 2015, this bright, partially furnished property offers a spacious living room with an open-plan American kitchen, 3 bedrooms, 2 bathrooms, and parking spaces both in the underground garage and right next to the house.

The villa is packed with extras, including built-in air conditioning, marble floors, partially electric blinds, extra storage on the rooftop solarium and under the stairs (for a washing machine), as well as a safe in the master bedroom.

The 34 m² solarium with a shower is ideal for sunbathing and relaxing, while the 67 m² garden provides additional outdoor space for leisure or play.

The well-maintained community features two large swimming pools, a jacuzzi, and a playground – perfect for both relaxation and recreation.

A home that combines comfort, quality, and style – ready for you to move in!
