Costa Almeria, Vera

We are pleased to bring to the market, an exquisite detached villa situated on a fully private, landscaped plot of land. Ideally, the property is located just a four minute drive from the large bustling market town of Vera where you will find a wide selection of amenities such as a theatre, bus station, supermarkets, bars, restaurants, public and international schools and a weekly street market. As you approach the property there is an impressive entrance with an electric sliding gate leading down a tree lined driveway and open parking for many vehicles. There is also an underground garage which is a fantastic space with the scope of being converted into further accommodation and it already has a toilet, plumbing and internal stairs to the main house. The gardens are presented beautifully with a large range of mature plants and trees, various terraces and seating areas and a full size swimming pool. As you enter the home you are greeted by an open reception hall with fitted storage and a double height ceiling. Leading from the hall via sliding doors is the main living and dining room. This is a lovely bright and airy space with a feature electric fireplace, curved front wall with large windows and electric shutters, full size dining table and underfloor heating and cooling system throughout. A patio door leads out onto a full wrap around covered terrace. The fully fitted kitchen also has sliding doors meaning you can choose the environment you want when having visitors. It offers ample storage cabinets, a centre island and a separate utility room with access outside to a walled in terrace for hanging washing and storage. Continuing on the ground floor there are two double guest bedrooms with fitted wardrobes and patio doors. The family shower room has access from the main hall and the bedroom hallway. The primary bedroom is a great size with a full walk in closet and en-suite with double sink basin, full size bath tub and shower. The internal stairs lead up to a mezzanine style bedroom with en-suite shower and two private terraces where you can enjoy the picturesque views of the Vera countryside. A truly wonderful property which has to be seen to be fully appreciated.
