Intempo is a residential complex on the seashore for those who value comfort and service.

Everything here is literally imbued with care for residents.

- There are no strangers here thanks to attentive round-the-clock security at the entrance to Intempo, concierges, and video surveillance throughout the territory.
- It is always very clean here, thanks to trained staff.
- Here you do not have to take bags of garbage out into the street, because special rooms are allocated for collection and separation points for garbage on each floor.
- Here a technician will come to you within half an hour, whether your light bulb has burned out or there is a breakdown.

Full residential infrastructure, large outdoor swimming pools, a gym, a fitness room and cardio equipment with a stunning view from the fortieth floor of the mountains and Benidorm, a SPA complex, massage rooms - it is pleasant to live and relax here.

The two-bedroom apartment offered to your attention is located on the 17th floor and has a panoramic sea view. Excellent zoning of the premises, good furniture, the apartment is bright and well-kept. The apartment has never been rented out, and we lived in it only a few months a year.
