## Costa del Sol, Carib Playa

### Investors dream

A rare and unique opportunity to purchase as a package 2 triplex penthouses with panoramic sea views less than 300m from one of the best beaches on the coast, properties linked via the roof with a walkway and the icing on the cake is the current owners own the whole of the flat roof for the entire building, half for each penthouse with developers rights to build on/above to create more apartments.

Each apartment has either room or has 5 bedrooms with the top floor opening out onto this vast roof area. one of which has a 16 person built jacuzzi

Both apartments are in good condition, the first has a separate studio on the top floor, whilst the other has made the top floor into a chill out lounge and bar area.

the real value to these properties are the ability to increase living accommodation/leisure areas on the roof subject to the local planning laws. Clearly stated in the deeds and on the note simple are developers rights which lasts until 2076.
