New build property for sale in Los Alcázares, Murcia

Located just a few metres from the prestigious Serena Golf and minutes from the beaches of the Mar Menor and La Concha beach in Los Alcázares, this development is presented as a unique opportunity to live in one of the most sought-after areas. The project offers a wide variety of homes adapted to different lifestyles: ground-floor bungalows with private gardens of up to 122 m², top-floor bungalows with private terraces and solariums, and three types of single-family villas with plots from 201 m² to 356 m², with one- or two-storey options.

Each home has been designed to maximise natural light and provide spaces that combine comfort and elegance. The bungalows are distributed in three modules with independent entrances and stairs, ensuring maximum privacy. The master suite redefines the concept of comfort with a total separation between the sleeping area and the bathroom, ensuring a peaceful and uninterrupted experience.

Furthermore, this development is committed to sustainability with the integration of solar panels and aerothermal systems, offering efficient and environmentally friendly solutions. All homes include a parking space and storage room in the basement, adding extra comfort for its residents.
