Located in a residential complex with a swimming pool, just a few minutes' walk from the beach, the promenade and the Coastal Path — a perfect place for walking, running or cycling while enjoying the sea breeze, the natural landscape, and watching the sunrises and sunsets.

It is a beautiful two-storey semi-detached house, with a parking space in the front yard and a lovely terrace at the back.

The ground floor layout is practical and functional. The open-plan kitchen and living room not only maximize the space, but also allow everyone to feel connected, whether cooking or enjoying a good conversation. The fireplace is a great feature, providing warmth and a cozy touch — perfect for winter nights. In addition, access to the terrace is a major highlight, allowing you to enjoy the outdoors all year round, whether for sunny breakfasts, barbecues, or simply relaxing... And having a toilet on the ground floor is very convenient for everyday life.

The first floor, with three bedrooms with built-in wardrobes and two bathrooms — one of them en-suite in the master bedroom — is perfect for a family or those who need extra space.

Everything is within reach: all kinds of shops, restaurants, a health center, pharmacies, beach bars, both public and semi-private schools, and the private Novaschool Añoreta. Very close to the Añoreta Golf Course, as well as paddle clubs, other sports facilities, and El Ingenio Shopping Center with a wide variety of shops, restaurants, and entertainment.

With easy access to the Mediterranean Motorway, it's less than half an hour from Málaga city and about 35 minutes from Málaga-Costa del Sol International Airport.

A perfect place where comfort and location combine to offer you the best quality of life. Don't miss the opportunity to make this townhouse your new home!
