## Altiplano, Jumilla

We are pleased to bring to the market this large farmhouse in Torre del Rico. On the ground floor you enter via a hallway with the most amazing tiled floor that has to be a hundred years old leading to a lovely lounge, a downstairs double bedroom kitchen dining area, shower room and a very useful utility/storage area. Upstairs there is a family bathroom and three large double bedrooms, one with a separate area that is perfect for a dressing room or an ensuite. Outside there is a beautiful new porch area that the current owner has had built, which is perfect for taking in the stunning views and a good mixture of fruit trees and to the side of the property, there is a large corral, which is a perfect location for a pool and a bodega that can be converted into so many things. The house sits on a plot of 6183 sqm and is ideal for a family home or a BnB.
