## Altiplano, Jumilla

This is a collection of 5 legal building plots approximately 7 minutes outside the town of Pinoso. The plots are located within walking distance to a village bar / restaurant and already have a point of drinking water. Electric is also available in the area. On EACH plot (there are 5 plots being sold here) you can build a house of 250 square metres on the one level or you can build a two level house with 200 square metres per floor giving you a total build area of 400 square metres. It also has access via a tarmac road. Your main day today facilities will be in the town of Pinoso which is approximately 7 minutes away where you can find supermarkets, bars, restaurants, shops, et cetera. We have been designing and building homes in the area since 2004 and as such we have a wealth of knowledge and experience which we can bring to bear in helping you to realise your new dream home. We help you as much or as little as you want, from just buying the plot to helping you with planning permission to actually project managing the build for you.
