Nice apartment with two patios – central location in Alicante near MARQ Welcome to central Alicante and this well-planned apartment with three bedrooms, two bathrooms and an open plan kitchen and living room. Here you will live in a charming and vibrant area with proximity to the city's most well-known attractions - such as the historic Castillo de Santa Bárbara and the MARQ archaeological museum.

The apartment is located on the first floor (without elevator) and has two private patios – one is currently used as a practical laundry room, the other as extra storage space.

The kitchen and living room are integrated into an open and social floor plan where there is plenty of space for both a dining area and a sofa group. The kitchen has generous storage and work surfaces.

All three bedrooms are located in a quiet location and have space for a double bed and bedside tables. The two bathrooms are modern and fresh, equipped with a shower, toilet and commode with sink.
