San Juan de los Terreros is an emerging destination in the province of Almeria, known for its pristine beaches and peaceful atmosphere. This has led to an increasing demand for properties, both for holiday rentals and permanent residence.

The location offers both tranquility and easy access to the city of Almeria and other attractive coastal towns. The area is also ideal for those who enjoy outdoor activities such as hiking, cycling and water sports.

4. Tourism and holiday rentals

The region benefits from the constant flow of tourists who visit the Costa Almeria for sun holidays, golf and nature tourism. This also makes it an attractive destination for holiday rentals. After renovation, the property can offer a lucrative rental opportunity, providing a steady income stream and a profitable real estate project.
