New Design

Beautiful one-level villas with double garage on large plot sizes located in a residential zone in San Javier.

NEW RELEASE

The villas are situated in the popular coastal town of San Javier... Luxuriously designed, these harmonious and ultra-stylish homes combine the highest quality finishes, using first-class premium materials – built on generous plot sizes of approximately 600m².

These luxury homes come with a double garage and are built on one level, which includes three large bedrooms (master bedroom en-suite) and a further family bathroom. The main lounge area features high ceilings with that all-important “open plan” modern feel. To the rear is a fully fitted kitchen with appliances and an island with a feature dining table area – to the side of the kitchen, you have access to a separate laundry and storage room.

The elegant open-concept in the main lounge area is surrounded by large floor-to-ceiling sliding windows that provide natural daylight throughout the day, with direct access to the large terrace with feature BBQ and to the private swimming pool and garden area.

Outside, you have access to the private roof solarium with pergola and summer kitchen.

Just three plots are available for these stunning homes, located in the heart of San Javier, a working Spanish town with all amenities just a minute’s walk away.

A select signature-style development – JUST 3 one-level contemporary villas – all enjoying generous plot sizes, double garages, private swimming pools, and roof solariums.
