## Antequera, Casabermeja

This is an exclusive Cortijo, completely different from others, because there is nothing similar with these dimensions for sale anywhere, much less at this price, in the municipality of Casabermeja. We are talking about a property with a plot of land measuring just over 880,000 square meters. The land is very large and is perfect for individuals or families with horses, rural tourism using the land with small glamping cottages, solar panels, etc. From this plot, in some places, you can even see the sea and the port of Malaga. The farmhouse has 5 bedrooms, three bathrooms, several living rooms, etc. The house is largely functional and can be lived in. However, each person can renovate it as they see fit and to the desired quality. Part of the farmhouse has a mill for processing olive oil. It also has stables that haven't been renovated, and a huge patio where you can enjoy the Malaga climate almost year-round. It also has municipal utilities such as water and mains electricity, although it also has wells, water tanks, etc. The farmhouse has perfect access, with asphalt almost to the door, incredible views, and the entire property can be accessed via rural roads? a true treasure.
