Altiplano, Jumilla

Fabulous country house located only a short distance from the Village of Torre del Rico. Set on a hill, this property offers the perfect retreat and hideaway. The property itself is huge! Currently used as a family weekend and summer home - it is in need of a good clear out and modernisation - having said that, the potential is immense! If you are looking for a traditional Spanish home which can be converted into a bed and breakfast, or some sort of health retreat, then this is an ideal property as it has and the character. It boasts a beautiful internal courtyard, separate accommodation, lovely terrace overlooking the courtyard, large patio, well established garden with almonds trees, etc. Internally, there are lots of original features such as original flooring, original doors, etc. It has not been spoilt by a modern reform and is an ideal property to put your mark on. There are neighbours around, but very far, for that the property feels very private and secluded. Great for a business opportunity also! Amazing views.We are specialists in the Costa Blanca and Costa Calida specialising in the Alicante and Murcia Inland regions with a particular emphasis on Elda, Pinoso, Aspe, Elche and surrounding areas.
