1,500 / 5,000 Discover this spacious 101 m² apartment, located in a prime location offering stunning sea views. The home features a large living-dining room filled with natural light, ideal for enjoying family time. The separate kitchen has been renovated and is complemented by a functional gallery. It consists of three exterior-facing double bedrooms equipped with built-in wardrobes that provide plenty of storage space. It also has a full bathroom; there were originally two bathrooms, making it easy to refurbish them if necessary. Among the property's notable features are the air conditioning installed in the living room, as well as the convenient elevator within the building. The price also includes a large parking space located in the basement of the same complex. This property is part of a well-equipped family residential complex that offers various sports areas, spacious gardens ideal for relaxing or strolling, and children's areas specifically designed for the little ones. There are also two community pools available year-round. The excellent location ensures access to all necessary services: supermarkets, public transportation, and a variety of leisure activities are within walking distance, while you can enjoy uninterrupted views of the Aracatu marina.
