## Costa del Sol, Mijas Costa

This development is inspired by the luxury of a tropical residence, where water and vegetation are the main characters and the outdoor spaces form part of the daily life of each home. Its privileged location, in Mijas, and its communal areas, with swimming pool and gym are surrounded by gardens for you to enjoy the wonderful climate and lifestyle of the Costa del Sol.

The design of this project reinterprets the sophisticated style of Brazilian resorts but updated into an avant-garde residential complex, with its pure lines and unique design. The large terraces emerge from its characteristic green facade and form an architectural framework that serves a dual purpose: giving the complex its identity and ensuring optimal sunlight all year round.
