Bajo Guadalentín, Alhama de Murcia

This project is comprised of apartments, penthouses, bungalows, and detached villas built to the highest standards in a prime location within the resort, right next to the golf course and the Al Kassar Shopping Center. The developments have 2 or 3 bedrooms and 2 bathrooms on the ground or the top floor. The ground floor properties have a front garden as well as a rear patio. Some ground-floor bungalows also include a parking area in their private garden. The upper floor properties enjoy a front terrace and a large solarium with beautiful views of the golf course and the mountains. The complex enjoys garden areas with Mediterranean and tropical plants and a swimming pool with a sun terrace.
