Exclusive communal areas to share, storage rooms and parking spaces. Homes perfectly equipped with all the comforts you may need: fitted kitchens, air conditioning with Airzone type segmentation, aerothermics, and motorised blinds. You will be able to enjoy large garden areas, multifunctional swimming pool with beach entrance, sunbeds in the water and swimming lane, outdoor children's area, outdoor fitness area and fully equipped Txoco area. It has an excellent location: just 700 metres from La Carihuela beach, in the neighbourhood of the same name, and very close to Torremolinos. Its rich Mediterranean gastronomy, with fish and seafood as protagonists, its pleasant climate, with more than 320 days of sunshine a year and an average annual temperature of 20° C, accessible beaches, fiestas and traditions, complete the charms of this Malaga enclave. Thanks to its proximity to Malaga, its international airport (only 8.5 km away), and its access to the motorway, it also has all the services of the capital at its disposal. Living by the sea is a temptation, but to do so in a town with all the services, a cultural and leisure offer for all tastes, well connected to the capital of Malaga and with an international atmosphere, is a luxury within your reach.
