For sale: Almond orchard of app. 22400 m2, located in Jumilla municipality, 15 minutes from Pinoso. Features trees in full production. The parcel does not have water or electricity, but connection to both is possible, as the water and electricity points are just at the limits. The orchard is well-maintained, healthy, offers a wonderful investment with a quick return, source for own agricultural ventures or a possibilities for a house construction. There are other houses in the orchard's vicinity. About the area: Murcia region in southeastern Spain is a major producer of fruits, vegetables, and nuts. Almond trees are particularly important, as Murcia's dry, warm, Mediterranean climate, and fertile soil are ideal for their cultivation. The region is one of Europe's leading producers of almonds, contributing significantly to both local and international markets.
