Axarquía, Cómpeta

Were pleased to present this charming and spacious townhouse in the upper part of Cómpeta, just a short walk from Plaza del Carmen. Nearby, youll find everything you need for daily life: a supermarket, a pharmacy, and several nice places to eat all within easy reach on foot. The house is spread over three floors and offers plenty of space for family, guests, or future ideas. It includes five bedrooms, two bathrooms, two living rooms, a fully equipped kitchen, and a separate dining area. Theres also a large storage room that could be turned into an extra guest room, office, or hobby space. From the rooftop terrace, youll enjoy wide views over the village, the surrounding countryside, and the Mediterranean Sea in the distance a peaceful spot to relax and take it all in. The house has a lot of potential. With a few updates, it could become a great base for holiday rentals or even a small B&B or simply a comfortable home for a larger family looking to settle in one of the prettiest villages in the Axarquía. We are pleased to be able to present this dream property to you soon, either personally or via virtual viewing. Because this world is unique - just like our Axarquía. In Andalusia. On the Costa del Sol. Here, on the sunny side of life...
