Price June 2025 build ready end December 2025 . A Energy Rated. This is a great opportunity to pick up a new Villa. Set on a plot of 10,000 m², this property offers three bedrooms, two bathrooms, large lounge with fireplace and open plan kitchen and utility room. To the front of the property is a good size covered porch with stairs down to a swimming pool and patio area also a wrap around terrace for capturing the winter sun. Landscaped gardens. concrete base to add a guset annexe. Waking distance to Encebras village. Comes with central aircon unit, pellet burner, solar panles with invertor to give you A energy efficient house. Double skin walls with insulation, double glazed windows, 10m x 3.5m swimming pool with surrounding patio area. Beautiful plot with amazing views. The property is from the town of Pinoso which offers all your day-to-day facilities including 24-hour medical centre, bars, restaurants, schools, et cetera. The builder is local and well established in the area and has been building for our clients since 2004. The property is built using a concrete and steel superstructure whereby the entire weight is held by concrete pillars which gives you total flexibility when choosing the layout distribution. In addition the property is built off the ground which gives you a crawl space underneath which not only helps with reducing issues with humidity but also allows you easy access should you wish to run additional wiring or plumbing at a future date. The walls are double skinned with high-density insulation boards in the cavity and the windows are double glazed, tilt and turn. The great benefit of these buiilds is that you can choose the floor tiles, bathroom tiles, kitchen tiles as well as the kitchen units. Thus allow you to fully customise the house and get exactly what you want even down to the external colour of the property. Incredible value fully bespoke villa contact us now to see build on progress, speak to our portfolio of existing clients, and see how we can help you realise your dream home.
