A Unique, Multi-Faceted Estate - Diverse development potential Tucked between gentle hills and a river, this discreet rural estate offers a rare combination of infrastructure, privacy, and development potential. Currently home to purpose-built, EU-level compliant GMP cultivation facilities, the property also lends itself effortlessly to high-value niche agriculture such as micro-greens or functional fungi. The estate comprises:

- A private, fully equipped equestrian centre
- Two modern, self-contained one-bedroom guest cottages
- A spacious four-bedroom main residence (two en-suite)
- Landscaped leisure area with pool, large BBQ pergola, and panoramic views
- Approx. 6,000m² of prime, flattened land ready for additional projects – from a motorhome park to further agriculture or eco-tourism development
- Nearly 30,000m² of elevated pastureland, ideal for sustainable energy installation (solar or wind potential)
- Natural river border and minimal neighbouring activity (two weekend-only residents)
- Just 5km from the motorway and regional network

This is a site ideal for an entrepreneur with the means and motivation to realise the next chapter in sustainable, rural living – whether wellness, agricultural, equestrian, or eco-tourism focused.
