Located within the highly successful gated community of La Finca de Jasmine, this stylish Tomillo-type villa is part of the first phase of the development and will be ready for occupancy in September 2025. Set within a secure residential enclave spanning 269,000m², the community offers luxury living with access to a clubhouse, spa, and lush Mediterranean surroundings. The villa features three bedrooms and three bathrooms across two floors plus a mezzanine level, with the option to add two additional bedrooms. Upon entering, you're welcomed into a bright open-plan living area that includes a fully fitted kitchen, dining space, lounge, and guest WC. Upstairs, the mezzanine hosts two en-suite guest bedrooms, while the master suite occupies the garden level, complete with a private bathroom and direct access to the landscaped garden. One of the standout features of the Tomillo design is its dual-aspect terraces, offering sun and panoramic views throughout the day. Extra-high ceilings and expansive windows flood the home with natural light, creating a sense of openness and connection to the surroundings. These contemporary villas blend modern architecture with natural materials to complement their setting. Each home features a private pool and garden, all within easy reach of Marbella, Benahavís, and Estepona.
