Bosting from being able to use 9 swimming pools in the area, you get to enjoy one of them right behind the property. It also benefits from having its own parking space and secluded seating. 

The property itself comes with a front garden perfect for the morning coffees which leads into the large living room and French style kitchen. The kitchen being fully equipped has direct access to the rear garden and pool area. Downstairs has a guest shower room and front balcony while upstairs holds the 2 bedrooms and family bathroom with bath.
