The main house offers a spacious living area, a modern kitchen, and a guest toilet on the ground floor. Upstairs, you'll find three bright bedrooms and a stylish bathroom, all with a layout designed for privacy and comfort. This section of the cortijo has its own entrance and is entirely separate — ideal for full-time living or use as a private retreat. The guest accommodation consists of four fully equipped en-suite rooms, perfect for operating a B&B or small guesthouse. There is also the possibility of creating a fifth guest room, as an additional bathroom is already in place by the pool area. Both guests and owners can enjoy their own spaces thanks to the thoughtful division of the property, including a private terrace reserved for the owners. Outside, the landscaped garden offers a peaceful escape with multiple terraces, shaded seating areas beneath mature olive trees, and a large private swimming pool. A fully equipped outdoor kitchen, complete with hob and two fridges, makes alfresco dining and entertaining effortless. Two covered terraces extend the living space and provide comfort in every season. The entire property is securely fenced, with an electric entrance gate, a carport featuring an EV charging point, and a handy storage shed. Renovated with care and attention to quality, it features modern finishes such as black aluminium window frames, air conditioning, and double glazing throughout.
