## Costa del Sol, Málaga

Investment Opportunity in the Heart of Málaga Residential building with ground floor + 4 upper levels, located in one of the city's most promising areas. It consists of 6 apartments (2 per floor) and a ground-floor commercial unit of 67 m<sup>2</sup> built, for a total of approximately 420 m<sup>2</sup> built. The property features an elevator and communal rooftop terrace. The apartments range from 56 m<sup>2</sup> to 62 m<sup>2</sup> built (35 m<sup>2</sup> to 44 m<sup>2</sup> usable), with one unit including a mezzanine and additional bedrooms. The project includes a full refurbishment of the building, optimizing the 6 existing apartments, carrying out the change of use of the commercial unit, and renovating all communal areas—without the need for major structural work. Expected completion: end of 2025, with the asset delivered fully finished, all apartments ready to move into, and all installations compliant with current building regulations. Turnkey price: €1,800,000 Price without renovation: €1,300,000 A solid investment in an area undergoing significant urban regeneration, with high potential for capital appreciation and multiple exploitation options.
