NEWLY BUILT LUXURY VILLA WITH INCREDIBLE VIEWS IN LA CALA GOLF RESORT, MIJAS COSTA, MALAGA 2.790.000 € Under Construction... Completion Expected October 2025 A truly exceptional eco villa located in prestigious La Cala Golf Resort situated in the valley between the two mountain ranges of Mijas and Marbella. With exceptional views, designed with an eye for detail with elegant touches throughout. Built to exacting standards that cannot be bettered on the Costa del Sol. Featuring 5 spacious bedrooms and 5 luxurious bathrooms, this villa is ideal for families and those who love to entertain. With a built area of 890m² on a generous 1,519m² plot, there's ample room for both indoor living and outdoor enjoyment. The expansive private pool and landscaped gardens create a peaceful haven, ideal for relaxing or hosting guests. Residents also benefit from the exclusive amenities of La Cala Golf Resort, including breathtaking views of the surrounding countryside, mountains, and golf course. Enjoy complete peace of mind with 24-hour security, and soak up panoramic sea and mountain views from the top level sundeck. The first floor is the villa's central hub, featuring a striking double-height living room that enhances natural light and space. The designer kitchen and dining area combine functionality with modern flair, and covered parking ensures vehicle security. A second swimming pool on this level offers a refreshing escape just steps from the main living areas. On the second floor, you'll find the primary suite complete with a spacious en-suite bathroom and two walk-in dressing rooms. This level also includes a dedicated, an additional en-suite bedroom with a private terrace, and access to the sundeck complete with a Chill Out area, Jacuzzi, and comfortable lounge seating. The ground floor has three en-suite bedrooms, offering comfort and privacy for guests or family members. Also on this floor there is a private gym, sauna, snug, and a cinema room perfect for relaxing or entertaining in style. A dedicated machine room provides practical storage and utility space. The villa incorporates modern eco-friendly features such as air conditioning and photovoltaic solar panels, combining luxury with sustainability. Construction began in late 2023, and buyers still have time to personalize select aspects of the design. Don't miss this rare opportunity to own a truly remarkable home in La Cala Golf Resort.
