The public Hospital Valle del Guadalhorce is also located 5 minutes from the property. Set in a peaceful rural setting, the estate comprises two houses plus stables, offering an ideal opportunity for equestrian enthusiasts or those seeking a country lifestyle with guest accommodation potential.

Main House (89m²) The main residence is arranged over one floor and presented in excellent condition, having been refurbished by the current owner. A large, covered terrace at the front of the house boasts stunning mountain views, the perfect spot for relaxing or entertaining.

Stables & Equestrian Facilities Directly in front of the main house, on the lower terrace, are the well-maintained stables. The property benefits from an OCA license for up to five horses, and a gate at the bottom of the plot provides direct access to the surrounding countryside for riding. There is also a spacious chicken coop adjacent to the stables, which could alternatively serve as additional storage space.

Second House (52m²) Completely independent from the main house, with its own entrance, the second dwelling is arranged over two floors. The ground floor comprises a living room, kitchen, and bathroom, while the upper level is an open loft area with a small toilet room that could be adapted into a bedroom. This property requires a little refurbishment, offering great potential for guest accommodation or rental income.

Additional Features • Fully registered property • Entirely fenced plot • Mains electricity and water from a communal well (shared by approx. 60 properties).
