## Valle del Guadalhorce, Alhaurín de la

## **Torre**

With incredible views down the valley to the coast of Málaga and the sea, this impressive, detached villa can be used as either a spacious family home or has the possibility of being a high-end B&B business. The villa is currently divided into 3 separate living areas comprising 2 living rooms, 4 bedrooms, 3 kitchens, 3 bathrooms and a WC / cloakroom. The entrance to the main house on the top floor of the villa is at street level and leads you into a spacious hallway. From here is a substantial living room with log burner fire, where double patio doors lead out to a terrace with incredible views to the sea and the nearby forested hills. Leading off the hallway is a good size modern fitted kitchen with a utility/storage room, 3 double bedrooms with fitted wardrobes (master ensuite), and a guest bathroom. Stairs lead down from the top floor to the 2 apartments. Apartment 1 has a kitchenette, shower room, 2 rooms both of which have access to the terrace and pool area. Apartment 2 is a large studio with double door access to the terrace and pool, a good-sized fitted kitchen, and a bathroom. There is plenty of room to have a designated sleeping area and living-dining area or even build a wall to create an independent bedroom. A pathway leads from the patio down to the swimming pool area with lots of space for sunbeds, a barbecue or even a bar and summer kitchen. From here is a gateway down to a large plot of land that also has access from another road to the rear of the property. From the street there are electric gates to the parking area.
